Winter Reminder: Sidewalk Snow and Ice Removal

Winter is here, and property owners and occupants are reminded to keep sidewalks adjacent to their properties clear of snow and ice. Keeping sidewalks safe and accessible helps everyone in our community, including pedestrians, children, seniors, and individuals with mobility challenges.

Please also remember that snow must not be pushed or placed onto the roadway, as this can create hazards for motorists and interfere with snow removal.

When treating icy sidewalks, only use environmentally approved salt or de-icing materials.

A little neighbourly help goes a long way! If you have a neighbour who is a senior, has mobility challenges, or is otherwise unable to clear their sidewalk, consider lending a hand if you are able. Looking out for one another helps keep Myrnam safe, accessible, and welcoming throughout the winter months.

Thank you for doing your part to keep our community safe this winter!

ARE YOU AVAILABLE TO HELP WITH SNOW REMOVAL IN THE COMMUNITY, EITHER AS A PAID SERVICE OR AS A VOLUNTEER? IF YOU ARE WILLING TO ASSIST RESIDENTS WHO MAY NEED A HAND CLEARING SNOW THIS WINTER, PLEASE CONTACT THE VILLAGE OFFICE.

HAVING A LIST OF PEOPLE WILLING TO HELP CAN MAKE IT EASIER TO CONNECT RESIDENTS WITH ASSISTANCE WHEN NEEDED. THANK YOU TO EVERYONE WHO HELPS KEEP MYRNAM MOVING DURING THE WINTER MONTHS!

A Reminder About Our New Recycling Program

Let's do our part to recycle! As we get used to our new recycling program, we encourage all residents to participate and help reduce waste in our community.

Please remember to use clear or clear blue bags for your recyclables. Check the monthly calendar for scheduled collection days and refer to the information available online or in the pamphlet previously distributed for a list of acceptable and non-acceptable items.

For questions about recycling collection or to report a missed collection, please contact Integrity Waste Solutions Inc. at 587-442-9110 or email: customerrequest@IntegritySolutions.ca

Thank you for participating and helping make our new recycling program a success!
