## Information required accompanying any Land Use Bylaw Amendment – Application

**For complete regulations, please refer to the Land Use Bylaw.**

The Village of Myrnam will only accept an application for a land use bylaw amendment when the following has been submitted:

- Application Fee(s) in accordance with the Master Rates Bylaw** As well as digital copies of the following information:
  - Application Form**
  - Current Copy of Certificate(s) of Title, if applicable**
  - A map, if applicable, in digital CAD compatible format showing:**
    - The location, dimensions and boundaries of the lot or part of the lot for which the zoning district is proposed to be changed; and
    - The location of any prominent natural and manmade features on the lot or part of the lot for which the zoning district is proposed to be changed
- A separate written statement, where required by Administration**
  - The written statement shall:
    - Describe the intent of the proposed amendment,
    - Provide planning rationale for the proposed amendment, and
    - Specify statutory planning policies that support the proposed amendment.
  - If applying for a new zoning district, a written statement is required.
- Direct Control Zoning District Application**
  - In addition to the above requirements for a written statement, include the following:
    - Identify why a direct control zoning district is necessary and why the same results cannot be achieved through the use of an existing zoning district or through the creation of a zoning district that is not a direct control zoning district, and
    - Include documentation of the opinions and concerns of surrounding property owners and residents obtained through a public engagement program, together with a summary of the methods used to obtain such input.
  - If applying for a direct control zoning district a written statement is required.

Additional information may be required by Administration to evaluate the application and make a recommendation to Council regarding the amendment. Such additional information is to be in the form requested by Administration which may include but is not limited to drawings, reports, risk assessments, and studies. Such additional information may include but is not limited to an analysis by a qualified professional of the potential effect of the amendment on land use, traffic, the environment, underground utilities, aboveground utilities, other municipal services, and municipal facilities.
