Alberta Day Movie and Fireworks Night!!

Many thanks are needed! Thank you to the Myrnam & District Ag. Society for the use of the arena and Myrnam Volunteer Fire Department for setting off the Fireworks from Canada Day that we were unable to use due to rain. Love to see our organizations coming together. Thankful for Alberta Day Grant which provided funding for the equipment and to Celebrate Canada for the fireworks to help bring our community together and have fun! Last, but definitely not least, we are so thankful for all who showed up. It was a great time enjoyed by all!! Stay tuned for more movie nights to come!!!

MAKE THE SWITCH TO E-INVOICES FOR YOUR MONTHLY UTILITY BILLS

1. IMMEDIATE AVAILABILITY

View your invoices as soon as they become available, rather than waiting for them to be printed and mailed. You'll receive an email notifying you when your statement is ready and waiting. This will also help us reduce time and waste and cost of paper, envelopes, and stamps!

2. CONVENIENT ACCESS

On the go? No problem. Access your invoices whenever and wherever you want, whether you're at work, at a coffee shop, or on your couch. Gain access with your laptop, desktop, tablet, or mobile device.

3. INCREASED SECURITY

Protect your information from being stolen or delivered to the wrong address. Secured by your email program, your invoices can only be accessed by you.

4. CONSTANT AVAILABILITY

Going off the grid? Download e-Statements on your computer, tablet, or mobile device and save them for offline viewing and, if needed, printing.

5. ECO-FRIENDLY

Replacing your paper invoice with an electronic version saves trees and reduces greenhouse gases associated with paper manufacturing, printing, and mail transportation.

6. LESS HEADACHE

Never misplace your invoices again. Your email account can also act as a virtual filing cabinet, so you'll always know your documents' exact location.

7. REDUCED CLUTTER

Give yourself less paperwork to sort through. Electronic delivery means you'll have less clutter in your mailbox—and shredder.
