

Village of Myrnam Newsletter

April 2024

National Volunteer Week April 14 -20, 2024

We express our appreciation with gratitude and admiration to all the incredible volunteers who dedicate their time and hard work to shape and strengthen our community. Each one of you plays a vital role in making our community vibrant and resilient. Your selfless contributions, whether big or small, have a profound impact on the lives of those around you. Your contributions are the cornerstone upon which our community is built, and for that, we are eternally grateful.

I am proud to be a part of a community where individuals like you are willing to roll up their sleeves and make a difference. For your dedication, passion, and unwavering belief in the power of community. Your dedication serves as an inspiration to us all.

Thank you for being the heartbeat of our community.

Thank you Volunteers!!

VOLUNTEER

New Myrnam School and Myrnam Outreach & Homeschool Center

Spring Showcase April 25, 2024

4:00 p.m. – 8:00 p.m.

What's Happening at NMS

- Shop Projects
- Horticulture
- Hands on Learning

Everyone Welcome!!

Next Regular Council Meeting

April 18, 2024 at 9:00 a.m.

The Dove Society is once again excited to organize a special event to honor the incredible mothers in our community. We're looking for **enthusiastic male volunteers** to join us in serving a delightful Mother's Day Brunch. Call Elsie at 780-614-5428 or attend our next meeting on May 8th at CTEC at 7 pm.

Flower season

Coming Soon!

Every spring we are blessed with so many volunteers adopting planters.

If you have a dedicated planter, please remember to plant your flowers in them. Planters have donor plaques on them. Names remain on all planters even if the people have moved on. New plaques will be added as new donors take over. If you wish to contribute to Village beautification and adopt a planter please contact **Donna Rudolf @ 780-366-3997.**

Spring Tip

Once the snow clears, it's officially spring cleaning season.

Give your lawn a good once-over and pick up any plant debris, garbage, or dead leaves to help promote healthy grass growth.
