Thanksgiving - Give Thanks
While it originally celebrated harvests, today it's about giving thanks for all the good in our lives. It's a non-religious holiday that fosters inclusivity across cultures and beliefs. Thanksgiving in Canada embodies a spirit of unity and gratitude. Thanksgiving is about giving thanks and helping those less fortunate and in need.
Let's be thankful everyday for all we have!

Notice: Garbage Pickup Reminder
Dear Residents,
This is a friendly reminder about our garbage pickup services. Your cooperation helps ensure a smooth and efficient collection process.
Important Points to Remember
Secure Garbage Bags: Please remember to tie your garbage bags securely. This prevents spills and keeps our community clean.
Weight Capacity: Most bags have a specific weight limit. Overloaded bags can break open, causing messes.
Pet Waste: Pet owners, please ensure that items like kitty litter and other animal waste are placed in strong, durable bags.
Thank you for your understanding and for helping keep our community tidy!
