GENERAL CONDITIONS

1. Only proper Village of Myrnam (VOM) Haying Tender form will be accepted in this tender and the specified closing times for bids are strictly enforced.
2. The highest, or any bid, may not be accepted. Processing and awarding of the bid will take place at a council meeting following the closing date.
3. The bidder is responsible for viewing the land prior to bidding; foot access only is permitted when viewing the property.
4. The bidder is responsible for all field activities in regard to cutting, handling and removal of the crop.
5. Schedules: Cutting of hay must not start before the date specified in the Special Provisions to this contract. All cut hay must then be removed from the property by the removal date specified elsewhere in this contract. Any swath, bales or standing crop remaining on the property following the removal date become the property of VOM and may be disposed of at VOM discretion. The VOM representative must approve any deviation from the removal date.
6. The successful bidder will provide, at the time of final signing and contract award, cash or a cheque made payable to "Village of Myrnam" based on 100% of the value of this hay contract. Payment is to be given to VOM no later than June 30th. Failure to pay by the deadline will result in breach of this contract.
7. The bidder is responsible for informing VOM that baling is completed.
8. VOM does not guarantee any tendered hay to be free of rocks, noxious weeds or poisonous plants and is not responsible for any damages caused by rocks, insects or other wildlife that may occur on any tendered hay lands. If the bidder deems it necessary to apply pesticide, at his/her cost, the VOM representative must approve the application.
9. The bidder is responsible for all field activities in regard to mowing, baling and removal of the crop. The bidder shall ensure that they operate with due consideration for the condition of the property and not enter or run equipment if field conditions are such that damage to the land will occur (i.e. wet or soft field conditions).
10. The bidder will at all times during the term, cultivate, use and manage in a proper husbandman like manner, such parts of the land as are now and shall hereafter; with the
11. The bidder shall assume full responsibility for safety in accordance with all the applicable laws, regulations and generally accepted practices, including safety of all persons and property. The bidder shall comply with all by-laws and requirements of the Municipal, Local, Provincial and Federal governments that apply to work carried out under this contract.
12. The bidder hereby releases VOM and its officers, employees and agents from any actions, claims, accounts, demands, or injuries which the bidder now has or may have by the exercise of any rights granted by VOM under the terms of this Contract. This release shall survive the expiry or termination of this Contract. This shall not release VOM from any acts of negligence.
13. Breach of contract: If a bidder breaches this contract, the VOM will have the option to award the contract to another bidder at their discretion.

SPECIAL PROVISIONS

1. **Earliest Start Date:** Cutting may start on or after this start date: July 15th
2. **Latest Removal Date:** All hay must be removed from the property by the following removal date: August 30th
3. The bidder will leave a minimum of 4 inches of stubble on property.
4. The attached sketch plan shows the areas available for haying. The estimated total hay acres are 11.73 acres more or less. Note that the General Conditions of this agreement disallow haying of the designated wetland areas and any haying outside the delineated areas is prohibited.
